

STENER SØRENSEN

Issued in Drammen on October 30, 2023

Certificate. TEK17EW-02/2023

By performing calculations, we have come to the conclusion that the design and construction of the building "EW42 PLUS" designed by SIA Eurowide (as shown in the picture) meets the norms of the Norwegian Construction Technical Regulation TEK17.

Thus, we hereby issue a product conformity certificate for
"EW42 PLUS" model.

The certificate is valid if the construction solutions prescribed by us are followed during construction. Foundation design and anchoring will be designed in each instance according to local conditions.

Recipient of the certificate:
